The Honorable Kay Granger
Chairwoman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Selma's Police Equipment Technology Upgrades for Fiscal Year 2024. The entity to receive funding for this project is the Town of Selma located at 114 N Raiford Street, Selma, NC 27576.

The Town of Selma would use this funding to complete police equipment and technology upgrades. Specifically, the funding would be used to purchase 30 body-worn cameras and support equipment including chargers, carriers, 16 in-car cameras (including installation), digital storage equipment, and funding for one staff member for one year to set up and maintain all video evidence.

The project is an appropriate use of taxpayer funds because it will improve the safety and accountability of law enforcement officers and allow law enforcement officers to better promote public safety. The project has a Federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Wiley Nickel". The signature is written in a cursive, flowing style.
